## **CLINICAL LABORATORY TECHNICIAN: Customer Service-Focused**

### **COMPANY DESCRIPTION**

VDx is the leading veterinary pathology laboratory in Northern California. Established in 2001, VDX has built a reputation of superior pathologic evaluation with fast turnaround times and customer service which exceed client expectations. We specialize in processing and evaluation of pathology (biopsy and cytology) samples from veterinary patients and provide clinicians the information needed to diagnose and treat their patients. VDX also plays a critical role in the ever-growing research field, assisting in safety and efficacy evaluation of new medical treatments and medical devices for FDA approval. Our company culture focuses on building a staff of high character individuals that are committed to providing our clients reliable top-quality results and exceptional customer service, while taking pride in being a key member of the team. Opportunities for growth within the company are available for outstanding, dedicated team members. For further information, please visit our website: <http://www.vdxpathology.com>.

### **POSITION DESCRIPTION**

Clinical Laboratory Technicians work closely with pathologists and other staff in a variety of areas of the laboratory to ensure accurate assessment and reporting of pathologic findings to our client veterinarians. This particular position is focused on customer service, however, duties may also include other tasks related to handling of clinical and research samples from receipt at laboratory to reporting of pathologic findings to archiving of sample materials. Laboratory specific responsibilities include hands-on tissue dissection and cytology preparation and may also include work in advanced cancer diagnostics such as flow cytometry and PCR. Other office responsibilities include data entry, transcription of pathology reports, answering phones, and providing exceptional customer service for our clients. Specific responsibilities will vary depending on when your shifts are scheduled. Laboratory work may include daily exposure to chemicals and materials such as formalin, xylene, alcohol, latex, etc.

**Comprehensive training is provided for this position. Due to the training required for this position, VDX requests that candidates who apply be willing to make at least a 2-year commitment for this position. Persons who are not willing to make a 2-year commitment should not apply.**

**Applicants must be willing to consent to facial and iris scan technology for time keeping purposes.**

**Daily attendance in the laboratory is required. This position does not support remote work.**

### **JOB REQUIREMENTS**

**Personal Qualifications** Ideal candidates for the Clinical Laboratory Technician position should enjoy working in a dynamic team environment with a wide variety of responsibilities. Individuals with outstanding attention to detail, strong multi-tasking skills, strong work ethic and sense of initiative will excel in this position.

***Education and Experience Qualifications*** - High School Diploma or equivalent required, Bachelor's degree preferred - Previous experience in laboratory, veterinary, or medical setting preferred - Proficiency with Microsoft Office (Word, Excel) - Familiarity with biological and medical terminology is preferred but not required. - Above average typing skills preferred. Previous experience with biopsy trimming and/or cytology processing preferred but not required.

## **HOURS & SCHEDULE**

**This is a full-time (40+ hours / week) position.** General work hours may vary between 5:00 am and 5:30 pm, Monday-Saturday, depending on workload and other staffing. Some occasional overtime and / or weekends may be required. Some coverage of holidays may be required, depending on workload and staffing. **The position is available immediately.** Full-time attendance in the lab is required. This is not a remote work position.

## **WAGE AND BENEFITS**

Starting wage is \$22.50/hour plus benefits, for candidates with a Bachelor's degree in a science related field. Benefits include company paid medical insurance, health savings account, disability insurance, life insurance, paid vacation and sick leave, paid holidays, and participation in the Company's 401(k) Plan. This is the entry level position in the Clinical Laboratory Technician series (CL Tech 1, CL Tech 2, CL Tech 3, CL Tech 4, CL Tech 5) with salary ranging from \$22.50-43.26/hour and offers opportunity for transfer into other areas of the laboratory as well as advancement into career-level positions for those who excel.

## **APPLICATION PROCEDURE**

Please submit your completed, signed application and supplement packet along with a resumé and names of three work related references to:
